Senate Bill 870, effective August 28, 2018, revised Section 105.666 - This bill changed the required number of hours for training for certain public employee retirement plan board members. New members shall complete an education program of at least six hours and board members who have served one or more years shall attend at least two hours annually of continuing education programs.

Routine annual presentations by outside plan service providers shall not be used to satisfy board member education or continuing education program requirements. The record of board member education shall include, but not be limited to, date, time, length, location, education material, and any facilitator utilized.
